Wine

Welcome to the "Heart of Washington Wine Country®." The Tri-Cities region is home to some of the state's best vineyards and wineries. Local wineries extend a warm reception, offering a tasting adventure with abundant variety and award-winning wines. Visitors can picnic in the picturesque countryside and learn about winemaking from the friendly, knowledgeable staff.

Golf

Discover the Tri-Cities as a destination for great golf. Ten beautiful golf courses offer variety and value for challenging play that appeals to all skill levels. Beautifully manicured greens, tree-lined fairways and scenic landscapes enhance the game. Area courses feature driving ranges, shops, restaurants and other resort-style amenities for an enjoyable golf escape in the sun-drenched Tri-Cities.

Water

Water nurtures the Tri-Cities and provides abundant recreational opportunities. Situated at the confluence of the Columbia, Snake and Yakima rivers, the Tri-Cities offers fishing, boating, water skiing, and a host of other activities. Enjoy a dinner cruise or take a jet boat tour of the Hanford Reach National Monument. Join us in July for the Water Follies hydroplane races. Picnic in the park or hike the Sacagawea Heritage Trail that winds along the waterfront.

Weather

As a desert region, the Tri-Cities area enjoys a mild climate with 300 days of annual sunshine. Summer temperatures average a pleasant 88 degrees. Winter temperatures are moderate and snowfall is infrequent. With four seasons of great weather, our golf courses remain open year round and outdoor recreational pursuits are popular in every month of the calendar.
