“Taste Tri-Cities” Celebrates Washington Wine Month

Tri-Cities, Wash. – Visit Tri-Cities and the Tri-Cities Wine Tourism Council present “Taste Tri-Cities”, a celebration of regional wine and food, taking place now through August 16. Local wineries have partnered with area restaurants to create more than 15 enhanced food and wine experiences in the Heart of Washington Wine Country®, from multi-course winemaker dinners to outstanding wine and chocolate pairings.

Taste Tri-Cities was strategically scheduled in August to complement Washington Wine Month, a statewide promotion encouraging visitors and residents to explore Washington’s wineries, vineyards and wine.

“With more than 200 wineries within an hour’s drive, the Tri-Cities is a remarkable to region to discover some of Washington’s finest wines,” said Kris Watkins, President and CEO of Visit Tri-Cities. “And Taste Tri-Cities is a wonderful way for visitors to experience a few of our area’s wine and culinary highlights.”
